What is Safeguarding?

Safeguarding means to protect from harm or damage with appropriate measure.

We want our learners to enjoy a safe and productive working environment throughout their learner journey with The Skills Network.

Our fully trained Safeguarding Team are available to offer their advice and guidance to ensure that anyone who may be at risk is given the full and proper support required.

If you would like to find out more, please contact one of our Safeguarding Team or utilise the other documents housed on our website at www.theskillsnetwork.com.

WHAT IS PREVENT?

Preventing violent extremism – Prevent is part of a government strategy to combat terrorism. The main aim of Prevent is to stop individuals from becoming terrorists or supporting terrorism and/or extremism.

Early intervention is at the heart of Prevent and its aim to divert people away from being drawn into terrorist or extremist activity. It is about recognising, supporting, and protecting people who may be vulnerable to radicalisation.

WHAT IS RADICALISATION?

The Government defines radicalisation as:

“the process by which a person comes to support terrorism and extremist ideologies associated with terrorist groups.”

WHAT IS EXTREMISM?

The UK government defines extremism as:

“vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs.”

Extremism also calls for death of members of the armed forces.

WHY DO I NEED TO KNOW ABOUT PREVENT?

It is now a **government requirement** that educational organisations meet their responsibilities regarding the safeguarding or vulnerable people by delivering training on Prevent to all employees. It is also a requirement that learners have an awareness of Prevent and who they should speak to if they have any concerns that they or an individual are being radicalised.

If you have any concerns, you should speak to the person in your organisation responsible for safeguarding, or alternatively, contact The Skills Network's Designated Safeguarding Lead on 07912 270020 or by emailing safeguarding@theskillsnetwork.com.

Where can I find further information?

Further information on Prevent can be found at www.gov.uk – Search for 'Prevent'. You can also call The Skills Network team on 01757 210022 for more information.

BRITISH VALUES

British Values are defined as **democracy, the rule of law, individual liberty, and mutual respect and tolerance** of those with different faiths and beliefs.

We expect all learners to respect other people, with particular regard to the protected rights set out in The Equality Act 2010.
